

— IN A — PERFECT WORLD

DID YOU KNOW THAT ALL KIDS HAVE THE POWER TO CHANGE THE WORLD?
NOW IS YOUR CHANCE!

The story of Dr. Martin Luther King, Jr. shows us how one person who stands up for what they believe can really make a difference. You have the power to make a difference in your family, your school, your community, and even the world!

Use this worksheet to think about your dreams for a perfect world. Then, create an action to help give back.
