## BOOK DRIVE

**While working to survive, parents & children in family shelters have to forgo simple luxuries. Books are one of those luxuries.**

### **How can you help?**

Start a book drive to support children in your local family shelter. You can do it in your community, at your school, or at a local church or business.

### **Get the word out!**

Set up clearly labeled collection boxes and make sure you tell people how they can support the book drive! Church newsletters, flyers, emails, or just plain word of mouth work great.

### **What kind of books?**

- Collect new and gently read books that are age and theme appropriate.
- Set a deadline – is this going to be a one day drive? Or something that is recurring?

### **Take pictures!**

Don't forget to take some pictures of you in action! We love to share stories of our virtual ambassadors. If you take a picture, post it! Tag us @perfectworldfdn and your picture will show up on our homepage AND on our social media sites.

### **Plan a drop-off**

Make sure you've spoken to the family shelter that you're donating to. You want to make sure that they accept donations and see if they have a specific time that is best to drop everything off.
