In a Perfect World Foundation  
c/o Manuela Testolini

Dear Ms. Testolini and In a Perfect World Foundation,

On behalf of the teachers and students that your generous contribution has impacted, I want to thank you for your continued support of public schools. This partnership has ensured that students in local public schools have the resources that they need to succeed and we are sincerely grateful for this partnership.

During this funding period, In a Perfect World Foundation provided funding for 72 student projects in Los Angeles schools, leveraging your initial \$15,000 investment by engaging an additional \$15,220 in funding from other donors. The grant brought resources to 6,276 students in Los Angeles classrooms. Please see the attached spreadsheet for a complete breakdown of projects and students impacted.

We sincerely value our partnership with the In a Perfect World Foundation and express our deep gratitude for your support of public school teachers and students. Thank you again for your generosity and support of classrooms.

Please feel free to contact me with any questions.

Sincerely,
