

— IN A — PERFECT WORLD

FOOD DRIVE

Millions of people rely on food banks to survive. And food banks rely on donations of food so that they can serve those in need.

How can you help?

Start a food drive to support your local food bank. Collect non-perishable food items in front of your local supermarket. It makes it easy for people to participate! You can also collect the food items at your school, or at a local church or business.

What you need:

- Box
- Table (optional)
- Poster
- Permission! Don't forget to ask the store manager if it's ok that you hold the drive outside the store.

Get a cardboard box and decorate it so people see you! Greet customers as they enter and exit the store and tell them about what you're doing and why.

Ask them to donate! What kind of food?

- Non-perishable, canned or boxed items.
- No dented, damaged or expired food!
- No items packed in glass and no snack/junk food.

Set a goal & a deadline

- Do you want to collect 30 items? 300?
- Decide if you want to do this all day, or just a couple hours at a time. Decide also what days are best to go.

Take pictures!

Don't forget to take some pictures of you in action! We love to share stories of our virtual ambassadors. If you take a picture, post it! Tag us @perfectworldfdn and your picture will show up on our homepage AND on our social media sites.

Plan a drop-off

- Take all of the food items that you collected and donate them to a local food bank.
- Make sure to call and make arrangements before you do so!
