

— IN A — PERFECT WORLD

LOVE ROCKS!

At In A Perfect World, we envision a world where *all* children act with kindness and empathy.

Making **LOVE ROCKS** gives them an opportunity to show love for strangers or those closest to them.. even themselves!

★ WHAT MAKES YOU FEEL SAD? HAPPY? LOVED? WORRIED?

★ HAVE YOU EVER SEEN ANOTHER PERSON FEEL THAT WAY?

★ HOW DID THAT MAKE YOU FEEL?

★ WHAT CAN YOU DO WITH THAT FEELING?

These are some of the questions our Dreamcatchers ponder as they learn about tolerance, respect, and compassion for themselves and for those around them brought to life by the

book **YOU, ME & EMPATHY.**

Did you know that people we see every day could be struggling with invisible problems? They might be sad about something, nervous about a new experience, they might not feel like anyone loves them.

If you were not having a perfect day, what would make you feel better?
What could encourage you?

Armed with these questions, Dreamcatchers get to work creating **LOVE ROCKS** with words of encouragement. One rock for themselves, one for a loved on, and one (or more) to serve as a random act of kindness.

Who would they give them to? Why? How does it feel to know that you did something special for people you may never meet?

STEP 1: Gather your supplies and decide on the words and phrases you want to use for each rock. Here are some ideas:

SMILE - LOVE - HOPE - DREAM/DREAM BIG -
BE HAPPY - PEACE - U R AWESOME -
BLESSED - THANKFUL - JOYFUL - IMAGINE

Tip: It's usually best to choose one word, so you can write the letters big enough to read!

STEP 2: Get a little work area organized & ask your parents to get the markers ready for you. Remember, the paint markers are permanent! You might want to wear a smock or an old tshirt that you don't mind getting some paint on.

STEP 3: You may want to write your word on your rock in pencil to make sure it fits. Then go ahead and trace over with paint markers!

STEP 4: Once you are done making the **LOVE ROCKS**, let them dry. Your parents may want to seal them (THIS IS OPTIONAL AND DEFINITELY SOMETHING AN ADULT WOULD NEED TO DO!)

WHAT'S NEXT?

Start thinking about who you want to give your special **LOVE ROCKS** to. How about leaving one in the mailbox for your postal mail carrier? Or what about surprising a stranger by leaving one on the grass beside the sidewalk near your home? Maybe someone in your own house could use one? How about keeping one for yourself to remind you of something special?
